MyFuture: Information for Parents
Your child may have a career path in mind, or have no idea where to start. Explore more to learn about careers and occupations, and how to help them find the right job.

ATAR - bonus points
There are two types of bonus points for Year 12 students seeking entry to tertiary study – regional bonus points and subject bonus points. Each institution sets its own criteria for allocating these. Some institutions require you to achieve a minimum ATAR before you are eligible to receive any bonus points. Check the information from each institution carefully to see if they have a minimum ATAR requirement. Bonus points can also be awarded because of an application through Educational Access Schemes (EAS). Bonus points do not affect a student's ATAR, but they do affect a student's selection rank. Information regarding bonus points is available from the UAC website at: http://www.uac.edu.au/undergraduate/faq/ATAR-bonus.shtml Information regarding bonus points is also available at each participating institutions website.
Subject Bonus Points at ACU

Students may be awarded up to five bonus points if they have performed well in specific year 12 subjects relevant to the course for which they have applied. To view the courses and subject bonuses visit: http://www.acu.edu.au/study_at_acu/alternate_entry/accessacu

Defence Force Academy

The Australian Defence Force Academy (ADFA) is a unique university where you’ll get paid a salary ($39,525) to study a degree from the University of New South Wales (UNSW). You’ll also undertake military leadership training and learn to become an officer in Australia’s Navy, Army or Air Force. In addition to the salary all tuition fees are covered.

Applying for ADFA is a dual application process that can take up to 12 months, so if you’re interested it would be best to get started now.

Find out more information here:
